Convention Program Filled with Deluxe Attractions and Activities

I recently met with the Sons of Utah Pioneer Convention Committee to review plans for the 1986 convention (formerly encampment). From the information I received at this meeting, I can tell you this is going to be a super-deluxe affair that no one should miss.

The convention will be held at the Marriott Hotel, August 21st, 22nd, 23rd, and morning of the 24th. The hotel itself, its sleeping rooms, dining rooms, and other facilities are deluxe; and the people we will be dealing with are professionals in their trade.

This is the first time we've had the opportunity to have the entire membership involved in everything that is to be done during the three days of the convention. (See the article on page eleven of the March-April issue of PIONEER.)

It begins with a workshop that

will inform members of the purpose of the National organization, its ideals and goals in bringing about preservation of pioneer history, and in honoring and keeping alive the memories of our pioneer heritage. We will be taken on treks to many special and historical points of interest in and around Salt Lake City.

Two of the main features of the convention will be a business meeting for the men, including election of officers, and a special program for the ladies; both are scheduled Saturday morning. At noon a luncheon will be served in conjunction with an awards program. Climax of the convention will be the President's Banquet and program Saturday evening, Aug. 23.

Personally, to me and my wife, the encampment or convention has always been the highlight of the year's activity, and a wonderful op-

portunity to meet and add new people to our list of friends. The committee suggests that all members invite a guest couple to enjoy this special event with the S.U.P.

PLEASE DO NOT MISS THIS GREAT EVENT!!! It will be the most deluxe and grand occasion of all your S.U.P. experiences.

Quartette Festival at '86 SUP Convention

by Mark Nichols

For the first time in SUP history, there will be a quartette music festival at the 1986 National Convention which will be held in the Marriott Hotel in Salt Lake City on August 21-23rd.

Lewis Murdock, convention chairman, has extended the invitation for the Quartette Festival. It is anticipated that this quartettes' participation will be one of the highlights at the convention and should add much interest, enthusiasm and esprit de corps to the occasion.

The invitation is extended to all chapters to be represented with a quartette of male voices and/or a quartette of mixed voices. Any chapter may be represented with both. Present plans are to have the quartettes sing on assignment at various meetings during the convention and then all perform in a festival at a specified hour.

All quartettes should have a repertoire of at least three songs,

one of which will be from among those in the SUP Song Book. The others will be those of the quartettes' own choosing. All male participants must be members of their local chapter and in case of mixed quartettes, the ladies are wives of SUP members.

Quartette participation during the Festival Hour will be evaluated in terms of excellence and it is anticipated that awards will be provided on a basis to be announced in a forthcoming issue of PIONEER previous to the convention.

It is hoped there will be many quartettes participating in this first music festival in SUP history. Those with immediate concerns may contact Mark Nichols, chairman of the SUP Music Committee, 440 Northmont Way, Salt Lake City 84103 - phone 364-3428.

BSA Honors Orson Wright

Dr. Orson Wright was one of 46 men and women recently presented Silver Beaver Awards, recognizing exceptional service to youth, community and scouting.

SUP Unit Hosts Sunrise Service

by Larry A. Eggett

Once again the Pioneer Chapter will sponsor the annual Days of '47 Sunrise Service. It will be held on Thursday, July 24, at 7 a.m. in the Tabernacle on Temple Square.

The speaker will be Elder Vaughn J. Featherstone of the First Quorum of Seventy. Members of the Mormon Battalion will conduct the flag ceremony.

This service is an ideal way to begin the day in which we honor our Pioneer ancestors. We certainly extend an invitation to all SUP members and their families and friends to join with us for this program.

SUP Officer Group Holds Seminars in Arizona, So. Utah

A group of national officers under the direction of Pres. Wayne Mallet spent four days conducting four Seminars in Southern Utah and Arizona.

On Tuesday, March 25, 1986, Pres. Mallet, Verl Peterson, Alan Young, Morris Bennion and Foyer Olson and wives met with the Cedar City, Hurricane Valley and Hole in the Rock Chapters at a dinner meeting in Cedar City. At this meeting, which was well attended, the national officers presented the program.

On March 26 the group was joined by Wallace Bates, Lewis Murdock and Glen Greenwood and wives who met with the officers of

the Red Rock Chapter. A seminar was presented for the chapter officers in the afternoon, followed by a dinner meeting with Chapter members and their wives in the evening. The chapters were well represented at each meeting. The National officers presented the program in the evening after the dinner.

The next stop on March 27 was St. Johns, Arizona. Here we had the privilege to meet with members of both Little Colorado River and Snowflake Chapter officers, members and wives and some special guests. At this meeting we were able to present some of our programs during the dinner meeting. Here again we were treated to a delicious meal.

On March 28, we met with the officers of the Mesa, Scottsdale, Phoenix and Salt River Valley Chapters in the afternoon for an officers training session. We were again very pleased with the response to our meetings. In the evening we were again happy to meet with the membership and their wives of these fine chapters.

I wish to thank Vice Pres. Foyer Olson, Pres. Thayne Smith, Vice

Pres. Leon Heap, Vice Pres. Darwin Gunnell and Vice Pres. Spencer Madsen for their work in putting these meetings and dinners together for us. We also thank the presidents of each chapter for their support.

Saturday evening all the board members and wives were thrilled with the beautiful Easter Pageant which was presented on the grounds of the Mesa Temple.

We want to express our thanks to Pres. Elect Leonard Johnson for all his efforts in getting this seminar coordinated.

Heritage Volume Draws Pioneer Bios

I would like to extend my appreciation to each member and non-member alike who have taken the time to write and submit biographical sketches of their pioneer ancestors to be published.

The acceptance of this project has been most gratifying. We have received enough to warrant the publication of our book. The deadline was set for May 1, 1986.

After May 1st, for those who have not yet submitted their biographies, there is still a chance to have them published but you will have to check with me on a day to day basis until they are closed.

Pioneer Story Contest Wins Acclaim

An authentic pioneer story writing contest was recently sponsored by the Jordan River Temple chapter. Competing were 4th grade students from the Riverton, Rosamond, and Monta Vista elementary schools.

Over 50 excellent stories were submitted. Awards of participation were presented to all who entered; with three winners chosen from each school.

The first place winners were invited to attend the March meeting with their parents and read their original stories. A pencil set and a cash award was presented to each winner. They are Chan S. Ricord, Rosamond; Cammy Peterson, Riverton; and Bryn Nelson, Monta Vista.

This has been an exciting project for our chapter and we are anticipating an even greater participation next year as teachers and principals from the Jordan School District have expressed their desire to have their students participate again.

This is a great way to make children aware of their pioneer heritage and to prepare future SUP members.

Robert Cook is chapter president and Gene Rose is awards chairman.

Brigham's Challenge Relay, Race is May 31

by Stan Stevenson

If joggers run in your family, the second annual Brigham's Challenge is a great opportunity to run as an individual or as a family team . . . a boy scout patrol, a group of girls or the lunch bunch from the office.

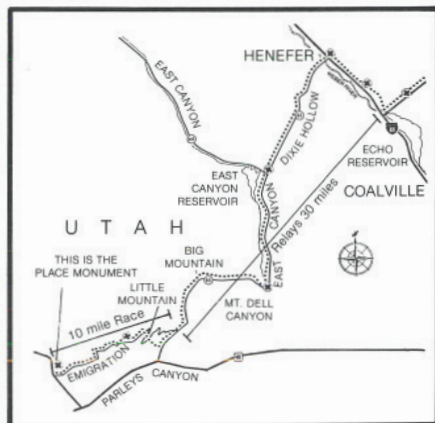

May 31 is the date for this memorial race and relay, jointly sponsored by National Society of the Sons of Utah Pioneers, Pioneer Relay Chapter, Brigham Young Family Organization and the L.D.S. Stakes in the last miles of the pioneer trail.

Family Marks Birthday

The Young Family Party event coincides with Brigham Young's 185th birthday. Sherman Young, president of Brigham Young Family organization, has announced a birthday celebration for his descendants at the Brigham Young home adjacent to the "This is the Place" monument following the race and relays.

According to SUP President D. Wayne Mallet, "Individuals will run a competitive race consisting of the last ten miles of the pioneer trail, while the family relay will be non-competitive." The "family" may be relatives or friends running under a family name.

Jack Nielsen, coordinator of the event, explained that each group participating should bring their own baton. The race committee will furnish a ribbon or suitable token to

attach to the baton as a certification of participation.

Mr. Nielsen stated, "The individual race is a great warm-up for more difficult races later this summer."

Minors Require Parents

Runners under 18 must be accompanied by a parent or guardian in the event of fatigue, and each participant will sign a waiver of liability. Minors must also have a signed approval of parent or guardian.

All events are open to any physically-fit person. Sherman Young stated, "As a sponsoring family, it is my hope we will have as many participants in the past, and I expect a great many participants from the Brigham Young Family." Members of the Brigham Young family can contact him at (801) 485-8792 or Box 8663, Salt Lake City 84108.

Participants will receive certificates, and tee shirts may be ordered. Participants may request the name of one of the original pioneers and run as a memorial for that person. (Use form at right to register.)

Minnie Hatch, 96, at marriage of granddaughter Patricia Lowell to Phil Stapley.

Two More Battalion Daughters Survive

by J. Smith Decker

The January-February issue PIONEER article about surviving children of the Mormon Battalion neglected Battalion descendants in Arizona.

Heber Delmar Layton, a member of the Mesa Chapter of SUP identified Minnie Layton Hatch as a daughter of Battalion member Christopher Layton.

Mrs. Hatch lives at 44 South Olive Street in Mesa, alone in her own home. She was born January 3, 1890 and is 96 years old. Her husband, Loren George Hatch passed away 41 years ago in Thatcher, Arizona. She is able to get around, cook her own meals, and is an avid reader and genealogist.

She has had ten children, all of whom have been active in the Church and were married in the temple. She has 12 grandsons and 12 granddaughters. Eleven of the grandsons have filled missions and all of the granddaughters have married returned missionaries and all 24 have been married in the temple.

A younger sister, Elizabeth (Bessie) Layton Savage, is in a rest home in California.

I'm Going to SUP Convention

by Francis M. Partridge

The newer Chapters and Members can gain information and enthusiasm from the older - better established Chapters. What are some of our needs that can be met at the CONVENTION in Salt Lake City?

1. Meeting programs. What speakers and programs have been presented that were especially interesting?

2. How can we encourage our members to pay their dues promptly -- or better still -- become Life Members?

3. How can we make our chapters more attractive to younger members? Do you have sons or young friends that could be interested in membership?

4. Are the presentations of pioneer stories interesting? Do you have these at your meetings? What suggestions could we give to those that are to participate?

5. How can we provide new musical numbers at our meetings? How about "community singing"?

6. What is the best way to handle meals at our meetings? Pot-luck, catered, or other?.

7. What kind of a program is available for attracting new members?

8. What is the objective or purpose of the Sons of Utah Pioneers? Why should I be a member? How can I encourage others to become members?

I don't want to miss out -- after July 1st it will be too late -- then I will have lost the opportunity to participate. I will have to wait until next year. I am not going to do that. I will send in my reservation today.

NATIONAL SOCIETY SONS OF UTAH PIONEERS ANNUAL CONVENTION

to be held at the Salt Lake Marriott Hotel - Aug. 21-23, 1986

Can Salt Lake City offer an exciting Annual Convention for the Sons of Utah Pioneers in 1986? —

YES WE CAN!!

This is where the Pioneers first came to the west to make their new homes. From here they spread to all the towns and valleys throughout the area.

The Marriott Hotel, 75 So. West Temple, Salt Lake City, has been chosen to be the focal point for the Convention to be held three days and three nights, Aug. 21-23, 1986. Free parking in the underground parking plaza is provided to all Convention patrons. Airport courtesy buses are provided by the Marriott Hotel for those who come by air. Parking will be provided, for those who come by R.V.s or Tour Buses, across the street from the Hotel. (City ordinances restricts anyone sleeping in R.V.s other than in trailer parks. Send special needs to Convention Committee's attention.)

CAN WE FOSTER COMRADERY IN S.U.P.?

YES WE CAN!!

Those members who come from other cities or towns and who have hosted past Encampments will be greeted by the local chapters in the Salt Lake area and will feel the great comradery and love we have for them and the Society of Sons of Utah Pioneers. We will show our Salt Lake hospitality as they have shown us theirs when we have been in their cities and towns. We are proud of Salt Lake City and will show them places of Pioneer and Historical Points of Interest. Special walk tours and bus tours will be featured.

CAN WE HAVE GOOD ENTERTAINMENT?

YES WE CAN!!

Special guest speakers and musical talent have been engaged throughout the special activities of the Convention. Great entertainers will perform during the Ladies' Programs. Chapters are furnishing singing quartets, sextets, or double quartets to sing and perform all through the Convention to espouse comradery and togetherness for each other. Many events are planned and excellent food will be served in a beautiful banquet setting.

CAN WE HAVE A GREAT CONVENTION?

PRESIDENT EZRA TAFT BENSON

Ezra Taft Benson became the 13th world President of The Church of Jesus Christ of Latter-day Saints on Nov. 10, 1985, climaxing a career of long-standing church leadership. Pres. Benson was sustained to his position as "prophet, seer and revelator, and President of the Church," at a reorganization meeting of the Council of the Twelve held in the Salt Lake Temple. He succeeded President Spencer W. Kimball.

As church president he presides over six million members of The Church of Jesus Christ of Latter-day Saints worldwide.

President Benson was ordained to the apostleship on Oct. 7, 1943 and served 12 years as president of the Council of the Twelve.

President Benson is a great-grandson of Apostle Ezra T. Benson, one of the original pioneers who entered the Salt Lake Valley with Brigham Young on July 24, 1847. He has served the Church in many capacities and also was, for eight years, United States Secretary of Agriculture during the Eisenhower administration.

President Benson has also received, during his busy and productive life, a total of 11 honorary degrees.

His parents were among the early settlers of Southern Idaho where in the small town of Whitney he was born August 4, 1899. As a young man he was active in Scouting, Priesthood work, and in the Church auxiliary organizations. He attended the Oneida Stake Academy, Preston, Idaho, and later the Utah State Agricultural University at Logan.

Married to Flora Smith Amussen, he is the father of six children — two sons, Reed and Mark; and four daughters, Barbara, Beverly, Bonnie and Beth.

RICHARD LAMOREAUX

RICHARD LAMOREAUX — bass-bari-tone, has performed in the Salt Lake Opera Theatre, guest soloist for the Murray Symphony Orchestra, the Schubert Singers, West Valley Chorale, Utah Opera Company, and the Mormon Tabernacle Choir.

JANIE THOMPSON

JANIE THOMPSON and CAROLYN T. LEE will perform for us. Janie directed the touring, performing groups from the B.Y.U.'s Program Bureau for twenty-four years. She is a great entertainer in her own right. Her sister Carolyn will accompany her. Janie Thompson has "been everywhere" spreading the message of love and brotherhood.

SHARON COLLINS

SHARON COLLINS will give a reading taken from the book, "Judge Me, Dear Reader." This is the story of the life of "Emma Smith, Wife of a Prophet." Sharon is married to Jerry Collins and has a son and daughter. She has directed plays and roadshows along with other readings for the past 13 years. She is the Cultural Arts Specialist in her ward and is a member of the Murray Arts Council. She writes and directs the "Miss Murray Beauty Pageant."

Meredith Wilson's classic Broadway Musical "MUSIC MAN" will be the setting for Friday evening's entertainment under the stars at the Triad Outdoor Theatre. Starring as the fast-talking *Professor Hill* is MICHAEL FLYNN who has starred in many roles in California, New York and Utah. Some of his favorite roles are *Mortimer* in "Arsenic and Old Lace," *Arthur* in "Camelot," *Biff* in "Death of a Salesman," and *Von Trapp* in "Sound of Music." He has been on screen and film including "Foot Loose," "Savannah Smiles" and "Executioner's Song." He recently completed a run at Promised Valley Playhouse in "I Do, I Do" with JANE AXSON, who will play the leading role as *Marian the Librarian* in "Music Man."

There is high-stepping choreography with a live orchestra under the stars and colorful romantic sets by Triad Theatre set designer Clif Davis. One of the highlights of the show is the Barber Shop Quartet made up from the "Town Council." This professional quartet will be singing at our Friday evening dinner before the theatre show. The entire cast of talented singers, dancers and actors will be directed by Triad Theatre co-producer Scott Anderson.

THE "BACKYARD KIDS" will perform for us on Friday afternoon. They consist of two groups of young people from the Bountiful area, ranging in age from four through fifteen. They are directed and accompanied by LaVon Johnson.

LADIES' FASHION SHOW (Friday) — will be presented by Ann Marie of "JUST FOR KICKS." — These are fun fashions from "Salesmen's Samples." They are located at 3350 South 2300 East, in Salt Lake City.

The Ladies of the Holladay Chapter are presently working on a quilt to be given away at the Ladies' meeting on Saturday.

SUNDAY MORNING SPECIAL

Seats have been reserved at the Salt Lake Tabernacle for those who wish to attend the Nationwide Broadcast of the Mormon Tabernacle Choir on Sunday Morning, August 24th.

WILD WEST CLOGGERS

By popular request we have engaged the "WILD WEST CLOGGERS." They were organized by Bryan and Bonnie Steele in June 1981. They operate 13 studios along the Wasatch Front in northern Utah, teaching over 500 students and 13 exhibition teams, with ages ranging from five years through adults. They have won many local and national awards.

To meet the challenge of increasing our membership to 5,000 in the National Society as President Wayne Mallet has advocated, the Convention Committee believes that unity and brotherhood in the Society will be fostered by having a Convention where all can be together and radiate friendship and comradery.

WHO ARE WE? WHAT DO WE REPRESENT? WHAT WILL A NATIONAL CONVENTION DO FOR ME?

Questions, questions, questions! Members of the Sons of Utah Pioneers can assuredly answer the "Who are we?" At both National and Chapter levels we are, indeed, men representing our ancestral heritage in all communities.

WHY SHOULD I ATTEND?

In the time frame of three days we will receive a new spirit of brotherhood, more unification of all chapters through their attending meetings, and a new track to run on for the coming year.

DEFINE UNIFICATION, YOU ASK?

The spirit of enjoyment is a great equalizer. As we enjoy our surroundings, our well-planned seminars, the presentation of well-earned awards, the great entertainment and an informative tour, we will feel a unified pride in achievement. Our loyalty and our desire to individually and unitedly work for a better organization will be rekindled.

If we are unified as a Society, we will support the Convention by our participation and make it one of the best ever. Advance registration is imperative for the proper planning of the many Convention activities and events.

The registration includes room and tax, gratuities, seven meals, theatre, bus tour of the city, costs of entertainment, gifts, women's program (including quilt), advertising, printing, banquet and meeting rooms, hospitality rooms, etc. This is all for one price of \$389.00 per couple, double occupancy. The single rate is \$284.00. The early registration of \$50.00 or more per member should be in by May 30, 1986, and the balance of the registration by July 1, 1986. Commander's Message

Congratulations for Utah Div. Seminar

The recent Utah Division Seminar was a success. It was a pleasant opportunity to meet with the officers of the Utah Companies. We enjoyed meeting with the group from Kanab and were happy to present a Life Membership Certificate to John Martin. Each person there added greatly to the activities of the day.

Those present were as the locomotives of the Mormon Battalion. They are the ones who can get things started in the Companies and then keep them rolling. They are the ones to delegate responsibilities then check to see that the assignments are carried out.

I wish to congratulate the new Southern California Division Officers in San Diego and wish them much success in their efforts to build a strong Battalion in their area. The activities they have before them this spring and summer make for an active group.

The trek scheduled by Company D of Logan sounds like a most in-

teresting one and anyone with RV equipment should not miss this. (See itinerary of trek on previous page.)

Let's join with our communities in sponsoring patriotism on all our holidays: Memorial Day, July 4th and 24th, etc.

This is the time of year when people are interested in doing things. May each one of you make a special effort to invite your neighbors and friends to come and join the activities of the Mormon Battalion. May success be yours as you do all you can to promote the Battalion.

Any one interested in the Mormon Battalion please contact me at 801-255-3357.

Porter Rockwell Story Told by Descendant

by Bertram T. Willis

John W. Rockwell, great-great-grandson of Orrin Porter Rockwell, gave an unusual account of his famous ancestor on April 3, 1986 at the dinner meeting of the SUP Salt Lake Chapter.

Orrin was born in 1813 and his family moved to Palmyra, New York a year before Joseph Smith's family. Both he and Joseph had childhood operations on their legs which caused them to limp throughout their lives. This helped create a lasting bond between them. He was present at the Church's organization as its youngest member, but could not be recognized as one of the legal founders, as he was then only 16.

He first tasted persecution as a youthful ferryman who was forced at gunpoint to help mobbers cross the river. Thereafter he was always armed and practiced until he became a crack shot. He repeatedly showed his loyalty to the Prophet Joseph, who promised him that as

long as he remained loyal and did not cut his hair, no bullet or knife would harm him. Much later while on a gold mining mission for the Church in California he met a widow who had lost her hair from an illness. He cut his hair and gave it to her for a wig.

He was unable to join the Mormon Battalion because he had been arrested and imprisoned for shooting Frank Wardle, ringleader of the mob that shot the Prophet. He was released several months later for lack of evidence and followed Brigham Young to Winter Quarters and became the chief scout for the advance pioneer company in 1847.

He reported the first miracle that occurred in Salt Lake Valley, after going swimming in the Great Salt Lake with one of the pioneer blacks who turned white as he dried.

He continued to serve as a deputy marshal, which brought many exciting episodes and legal authority for his numerous killings which he claimed were always in self-defense.

Golden Spike Ritual

The Box Elder Chapter officers and members have listed several challenging goals for the year which should stimulate interest not only with the membership, but with the communities of the area as well.

For May, we're supporting the Golden Spike commemoration program by supplying cast members, conducting the flag ceremony, and organizing the relay team to deliver the spike to the site. We are also helping with ushering and issuing invitations to other chapters to put May 10th at Promontory Point on their schedule and plan to trek to the site. The program begins at 10 a.m. The Box Elder Chapter, SUP, plans a trek to the Golden Spike commemoration reenactment program each year.

We plan to support the local "Museum and Art Week" in late April. We plan to support the school foundation program in June. It is "show respect to the flag" for July, and we plan to sponsor pioneer activities.

In August the Box Elder Chapter plans to participate in the convention at Salt Lake City wholeheartedly. We also are aiming to meet at least the minimum standards in all categories in the achievement program.

Lively Program for Pioneer Chapter

by Larry A. Eggett

Pioneer Chapter had a special evening meeting with our wives at the National Headquarters building on January 29. We enjoyed a catered buffet dinner.

Special guest speaker was Dr. C. Wilfred Griggs. Dr. Griggs is a professor of Ancient Studies at Brigham Young University and recently served as the project director of the Ramses II exhibit at BYU. He discussed a little of the history of Egypt, and showed slides of Egypt and of some of the Ramses artifacts.

Our wives joined us again for our annual Sweetheart Luncheon at the Lion House on February 12. Robert Simonsen, a former president of our chapter, gave a brief historical sketch of his great-great-grandfather, Archibald Gardner. We were delighted to have a musical program presented by the Bountiful High School Chamber Choir.

At our luncheon on March 12 at the Lion House, Bob Gunderson,

our chapter secretary, shared a sketch of one of his ancestors, Thomas McBride. This man never made it to Utah, because he was killed at Haun's Mill, but his descendants had a tremendous impact on the settlement and development of this area. We enjoyed a slide presentation by the National Center for Constitutional Studies called "Miracle at Philadelphia". It tells the story of how the nation's Constitution was written nearly 200 years ago.
